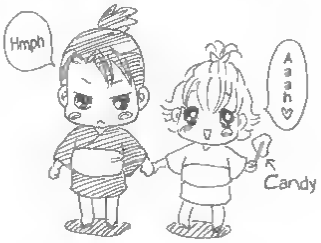
☆ GREETINGS ☆

Hello! It's Ue-Rin
It's been a while since I last wrote, so I'm feeling a bit excited



There's a page for the fans called "Tail of the Moon Extra" in the Japanese magazine. The image above is of Little Hanzo and Little Hanzou from the comic strips about young Hanzo and his family. Drawing the four-panel comic strips is really tough. I always have to think hard to come up with a new one. But I really enjoy drawing little kids!♡

Tail of the Moon is gradually moving to its climax. Please continue to support Usagi and the others. And please send your letters and messages to the following address.
